

# Permanent Supportive Housing

The Harrisonburg Rockingham Community Services Board (HRCSB) Permanent Supportive Housing (PSH) program is currently recruiting landlords and property owners to work with us to establish housing opportunities and agreements to help serve our neighbors by helping them get back on their feet, maintain stability and thrive in our community.

## Who we support

The PSH program is designed to provide housing opportunities to individuals that need extra help and support. Through our program, Individuals are equipped with necessary professional and financial support systems to better manage behavioral health-related barriers and foster successful independent living.

“

*Everyone goes through something at one point in their life that is a struggle and giving them a chance of opportunity will possibly give them quality of life and better themselves and our community.*

”
